WHEREAS the Board of School Trustees of South Vancouver have purchased Lots 25 to 32, in Block 2, District Lot 664, Map 2148, as an addition to their South Hill school-site:

And whereas the said School Board is desirous of acquiring and closing up the lane between the said lots and their said South Hill school-site, and have requested the Council to convey the said lane to Thomas E. Harrison for the purpose of conveying to the said School Board in exchange for the south 16 feet of Lot 13 on said map:

And whereas subsection (193) of section 53 of the "Municipal Act" authorizes the Council to pass a by-law for disposing of a public street in exchange for adjacent or contiguous lands expropriated for the purpose of diverting any public street, and to execute deeds for property so exchanged:

And whereas subsection (176) of section 53 of the "Municipal Act" authorizes the Council to pass a by-law to stop up and divert any street, alley, or lane, and to enter upon and expropriate any real property for establishing, altering, or diverting any street, alley, or lane:

And whereas it is expedient that the said lane immediately west of said Lots 25 to 32 (inclusive), as shown on said Plan 2148, should be stopped up and exchanged for the said southerly 16 feet of Lot 13:

Now therefore the Reeve and Council of the District of South Vancouver, in Council assembled, enact as follows:—

1. That all that portion of the lane or alley lying immediately west of said Lots 25 to 32 (inclusive), in Block 2, as shown on the map of the subdivision of District Lot 664 deposited in the Land Registry Office in the City of Vancouver and numbered 2148, more particularly known and described as follows: Commencing at the south-west corner of Lot 32, in said Block 2; thence northerly along the easterly limit of said alley 264 feet to a point where the northerly boundary of Lot 25 intersects the easterly limit of said alley; thence westerly a distance of 20 feet to the intersection of the southerly boundary of Lot 13 with the westerly limit of said alley; thence southerly along the said westerly limit of 264 feet to the south-east corner of the area shown on said plan as South Hill school-site; thence easterly a distance of 20 feet to the point of commencement, be conveyed by the District of South Vancouver to Thomas E. Harrison in exchange for the south 16 feet of Lot 13 on said map for the purpose of diverting the said lane, and that the Reeve and Clerk of the Council execute the conveyance of the said lands to the said Thomas E. Harrison and affix the corporate seal thereto.

2. That all that portion of the said lane or alley lying immediately west of the said Lots 25 to 32 (inclusive), be and the same is hereby stopped up.

3. That the said south 16 feet of Lot 13 on said map be and the same is hereby established and opened up as an alley or lane in place of the portion of the lane stopped up in the preceding section hereof, and the said south 16 feet of Lot 13 is hereby expropriated as and for a lane or alley.

This by-law may be cited for all purposes as "By-law to close Lane running through South Hill School-site."

Passed by the Council on the 28th day of August, A.D. 1912.

Reconsidered by the Council and finally adopted and signed by the Reeve and Clerk and sealed with the corporate seal on the 14th day of February, A.D. 1913.

File 17266. Order No. 18626.

THE
BOARD OF RAILWAY COMMISSIONERS
FOR CANADA.

Thursday, the 6th day of February, A.D. 1913.
H. L. Drayton, K.C., Chief Commissioner;
S. J. McLean, Commissioner.

In the Matter of the Application of the Minister of Railways for the Province of British Columbia, under Subsection (2) of Section 232 of the "Railway Act," for an Order directing that the Pivotal Span in the Railway Bridge over the Fraser River at New Westminster, in the Province of British Columbia, be opened only for the Passage up or down the River of such Ships, Barges, Boats, or other Vessels as cannot, by the Adoption of a Hinge or Similar Device, lower their Smoke-stacks, Funnels, Masts, Flagstuffs, or other Similar Erections and pass under the Bridge without the Pivotal Span thereof being opened.

UPON the hearing of the application at the sittings of the Board held in the City of Vancouver on the 27th and 29th days of July, and the 28th day of November, 1912, the Applicant, the British Columbia Electric Railway Company, and the Canadian Western Lumber Company, Limited, being represented by Counsel at the hearing, and what was alleged; and upon the reading of what has been submitted in writing in support of the application and on behalf of the interests opposed to the granting of the order:

It is ordered that the following regulations governing the opening and closing of the pivotal span of the said railway bridge over the Fraser River at New Westminster, filed by the Applicant, and consented to by the parties in interest, be, and they are hereby approved and adopted, namely:—

The operation of the pivotal or swing span of the railway bridge across the Fraser River at New Westminster shall be under the direct control of the Superintendent of the bridge, who shall be governed by the following regulations in the operation of the same:—

1. The signal to be given by a steamer to have the swing opened shall be three long blasts of the whistle.

2. The span shall be opened with the least possible delay upon receiving the prescribed signal, excepting where there is a train actually within the "home" signals of the interlocking system or in motion towards the bridge between the "distant" and the "home" signals, and then not until after the train has passed and is clear of the "home" signals at the opposite end of the bridge: Provided however that where two trains are approaching the bridge within the "distant" signals at the time when a signal is given by a vessel, as hereinafter provided for, a train of a superior class shall have preference over a train of an inferior class, and shall be permitted to cross the bridge, and the train of the inferior class shall be held until the said vessel giving the signal before-mentioned passes through the bridge and the swing span is again closed.

3. On the top of the steelwork of the swing span, at a point about 50 feet north of the tower-

house, there shall be erected a double-arm semaphore signal, the pole of which shall be painted white, and the arms orange-yellow. This semaphore shall be fitted for night signals with spectacle castings and lamp, one to display a red light and the other a green light.

3. (a.) The normal position of this signal shall be "bridge closed"; that is to say, in the daytime the arms shall extend at right angles to the pole, facing up and down the stream; at night the signal "bridge closed" shall be indicated by the red spectacle light.

3. (b.) In the daytime the signal "bridge opening" shall be indicated by the arms of the semaphore in the upper quadrant; that is to say, in the vertical position; at night the signal "bridge opening" shall be indicated by the green spectacle light.

3. (c.) In thick and foggy weather the signal from the bridge shall be a fog-horn blown in the manner following: (1) In answer to a signal from any boat and as a signal for "bridge closed," two long blasts of the fog-horn shall be blown and repeated at intervals of ten seconds; (2) when the bridge is ready to be opened and as a signal for "bridge opened," three long blasts of the fog-horn shall be blown and repeated at intervals of ten seconds, and continued until the vessel has passed through and is clear of the bridge. This signal is not to be confused with the fog signals described in paragraph 8 hereof.

4. The said span shall be opened only for the passage up and down the river of all such ships, barges, boats, or other vessels as cannot, by the adoption of a hinge or similar device, lower their smoke-stacks, funnels, masts, flagstuffs, or other similar erections and pass under any portion of the said bridge when the pivotal span thereof is closed.

5. The failure to comply with these regulations by any ship, barge, boat, or other vessel after one warning by the Bridge Superintendent shall be a sufficient cause for a refusal to open the swing span for the accommodation of such ship, barge, boat, or other vessel; but the captain or master of the said ship, barge, boat, or other vessel may enter a protest in writing to the Bridge Superintendent, and this protest shall be referred by the Superintendent to the Harbourmaster and the Superintendent and the Harbourmaster together shall, after hearing the parties concerned and within one week from the date of the protest, render a decision and give directions concerning the matter of the protest as they may deem fit; and until such decision is given or direction is rendered the Bridge-tender shall open the swing span for the purpose of allowing the said ship, barge, boat, or other vessel to pass through.

6. Notwithstanding anything in these regulations contained, the operation of the swing span of this bridge shall be at all times under the control and direction of the Bridge-tender, who may, in his discretion, stop a train and block or otherwise direct traffic either across the bridge or on the water in such manner as, in his opinion, may best suit the exigencies of any particular case or set of circumstances demanding or calling for any alteration or deviation from these rules. No ship, barge, boat, or other vessel shall attempt to pass through the said bridge span until they have received from the Bridge-tender the necessary signals instructing them that the passage is clear.

7. There shall be erected and maintained at each end of the swing span protection in the said bridge, in such a position as can be seen by vessels approaching the bridge from both up and down the river, an automatic gauge which shall indicate at all stages of the tide the clearance between the level of the water and the underside of the lowest member of the structure.

8. In thick and foggy weather, a fog signal shall be continuously sounded from the bridge, and the sound thereof shall be distinct from the signals referred to in subsection (c) of clause 3 hereof.

9. These regulations to become effective on and after the thirty-first day of May, A.D. 1913.

And it is further ordered that Order of the Board No. 18490, dated January 14th, 1913, granted herein, be, and it is hereby rescinded.

(Signed) H. L. DRAYTON,
Chief Commissioner,

Board of Railway Commissioners for Canada.
